October Announcements

Shareholder Info Session on the Consolidation Study

We are hosting an informational session for Las Flores Water Company shareholders to learn about the ongoing Altadena Water Systems Consolidation Study. Stantec, contracted by the California State Water Resources Control Board to conduct the study, will present on the following topics:

- Provide an overview of the scope of the Altadena Water Systems Consolidation Study
- What consolidation is and how the study will assess potential consolidation
- How the study is focused on long-term resilience, and will not have immediate, short-term impacts on water system management, operations, or finances, nor on current rebuilding efforts
- Invite input from Las Flores Water Company shareholders about what their hopes, concerns, and questions are about potential consolidation

When: 6pm - 8pm on Thursday, November 12, 2026
Where: Eaton Fire Collaborative, 540 W Woodbury Rd, Altadena, CA 91001
Who: All Las Flores Water Company shareholders are invited

Please note, this event is being hosted for informational purposes and does not constitute a formal shareholder meeting.
